## Friends of CMN COLOR RUN

October 4th, 2020

Manners Park Taylorville, IL

Color Run is a fun walk/run around a course. Color runners are doused in a different colored powder at locations around the course. Participants wear white at the starting line and finish the race plastered in color. Once the race is over, the fun continues at the Finish Festival, a larger than live part equipped with music, dancing, photo ops and more massive color throws, which creates millions of vivid color combinations. Trust us, this is the best post race party on the planet!

There are four race divisions. The cost to enter the race is \$25 per person. Entry fee includes race day shirt and swag bag. Registration is due by September 17th to be guaranteed a shirt and swag bag. On-site registration is allowed for the same cost, but no race day shirt or swag will be given. Registration forms can be picked up at the Taylorville Walmart Service Desk, the Taylorville Chamber office or online at:  
<http://form.jotform.com/201624360400136>

Registration on event day opens at 8:00 a.m. Zumba warmup at 9:00 a.m. and Color Run/Walk begins at 10:00 a.m.
